Leap year in 2016! One extra day to offer up to the Lord and ask for more blessings and one extra day to do the work of the Lord.

So far we have had a busy month. We celebrated Catholic Schools Week during the first week of February. We collected items for "Operation Laundry Basket" for the Catholic Women's Club. Each grade was assigned specific items to bring in. These items were then given to women setting up new households. We also had our new Seminarian, Andrew Wellmann, speak with all the classes on vocations. That was a wonderful experience. We had a sing-along with some of our favorite liturgical music hosted by Mr. Clark, our General Music teacher. It was fantastic as we assembled in the main hall of the school and sang the praises to the Lord as loud as we could! One of my favorite activities was "get up and move". When music was played over the PA system, students danced to the tunes, such as YMCA. We all had a wonderful week celebrating Catholic Education and are thankful for St. Peter's.

We celebrated Fat Tuesday instead of the traditional Valentine's Day. We wanted the children to keep to their Lenten promises as many give up sweets and candy.

The entire Elementary students had their throats blessed by Father Jeremy and Seminarian Andrew on February 3, feast of St. Blaise. All the children heard the story of St. Blaise. They received a Holy Card with a prayer to him. We definitely enjoyed the visit and hope for better health. We have had our share of colds and flu.

We have three students visiting us from North Central State College majoring in Child Psychology and six students from The Ohio State University majoring in Education. I am happy that we can help out. It makes for a great partnership.

Here are some great tidbits for our month of February; From the mouth of a 5 year old, "Love is what's in the room with you at Christmas if you stop opening presents and listen."

And:

"We cannot all do great things, but we can do small things with great love"

--Blessed Mother Teresa

Madalyn Bauer, Elementary School Principal

MONTESSORI KIDS AT WORK NIGHT

St. Peter's Montessori Preschool/Kindergarten

Thursday, February 25, 5:30-7:00 p.m.

Parents who are looking for a unique and highly-respected program for their preschool or kindergarten age child are invited to bring the family for a light dinner that begins at 5:30 p.m. in the Annex (red-brick

building at the corner of First and Mulberry Streets; use front entrance). An information session and tour of the Montessori House will follow. Montessori teachers will be there to answer questions about the program and its philosophy. Prospective parents will also be able to observe current students doing their "works".

Children from 30 months through kindergarten age are accepted into the Montessori program. The Montessori program includes language, reading, math, geography, and science. Students who participate in the program are exceptionally well prepared to begin first grade. The dedicated teachers at St. Peter's Montessori provide the environment for the surge of learning that, according to research, occurs in children age 2-6.

Plan to attend? Please call the elementary school at 419-524-3351 to confirm your reservation.

KINDERGARTENER FOR AN EVENING PARENT INFORMATION NIGHT

Thursday, February 25, 5:30-7:00 p.m.

St. Peter's School offers a full-day Kindergarten program. Students enjoy a full-day experience that complements and promotes their learning through hands-on experiences with small and whole-group activities. The program is centered on the educational objectives

set forth by the Diocese of Toledo which includes language arts/reading, math, science, social studies, health and religion. The program also includes art, music, physical education and computer classes, all taught by specialists.

- If you have a child who will enter kindergarten for the 2016-2017 school year, we invite you and your family for a light dinner and parent information session.
- Special classroom hands-on activities for your kindergarten-age child
- Where? Kindergarten building (red-brick building at the corner of First and Mulberry Streets; use front entrance)

Plan to attend? Please call the elementary school at 419-524-3351 to confirm your reservation.

Reliable research-based studies report that:

- Children in full-day programs have higher achievement test scores on all core academics.
- Full-day programs exhibit more independent learning, classroom involvement, and productivity in work with peers.
- Full-day kindergarteners are more than twice as likely as half-day kindergarteners to reach grade levels without repeating a grade.
- Full-day kindergarten students have more time and opportunity to play with language development, explore subjects in depth, and have more interactions with the teacher. Children's knowledge of early literacy concepts increases during full-day programs with improved students' reading achievement for the next four years as a result.

Pope Francis on the Environment

The Inter Church Council of Mansfield is sponsoring a series of three lecture/discussions on Pope Francis' encyclical on the environment, entitled *On Care for Our Common Home (Laudato Si)*. This series will be presented by three staff members from St. Peter's Catholic Church; **Deacon Mike Wasiniak, Ms. Lynne Lukach, and Father Jeremy Miller.**

These presentations will take place *today*, February 14, 21, and 28 at the *First United Methodist Church* on the square in Mansfield, Ohio from 4-5:30 pm each Sunday.

This is a great opportunity to explore the nature of an Encyclical and how this topic touches all people. "Pope Francis draws all Christians into a dialogue with every person on the planet about our common home."

Your gift commitment to our "Preserving Our Past, Securing Our Future" campaign is a lot like a puzzle piece. With it, our effort will surely be more successful and complete. Without it, it will leave a noticeable void and will definitely be missed. We sent a letter this past week along with a pledge card to those we have not heard from. We ask that you consider doing the very best that you can for us so that we can do the best we can for you and for all of our other supporters!

Hearts and Minds

If you and/or a loved one are struggling this winter with emotional issues, consider joining us on Tuesday, February 23 from 4:00 p.m. to 6:00 p.m in Assisi Hall for Lenten support. For further information contact Sue Malaska at vmalaska@neo.rr.com or call 419-756-0962.

Jubilee Year of Mercy

Second Sunday of Lent

Many icons depicting Jesus' transfiguration bear the Greek title *Metamorphosis*, a technical term also for nature's springtime transformation. Fittingly, this *Jubilee Year of Mercy* coincides with the Lectionary's Year of Luke, for only Luke specifies Moses and Elijah speaking about Jesus' "exodus that he was going to accomplish in Jerusalem" (Luke 9:31).

Israel's exodus liberated from slavery; Jesus' exodus liberates from sin's living death of selfishness. Pope Francis suggest that Lent's prayer, fasting, and works of charity can transfigure the world, if Christians translate Isaiah's challenge into our daily lived experience of Jesus' life-giving exodus by releasing those bound unjustly, setting free the oppressed, sharing your bread with the hungry, bringing the afflicted and homeless into your house, clothing the naked, not turning your back on your own. "If you remove from your midst oppression, and malicious speech . . . then light shall rise for you in the darkness . . . You shall be like a watered garden, like a spring whose water never fails" (Isaiah 58:9, 10, 11).

WE ARE TO BE TRANSFORMED

Today's showing forth of God's glory is filled with a light that astonishes and reveals. Jesus transfigured on Mount Tabor energizes even the sleepy apostles, who see but cannot get hold of it. They can be forgiven for not apprehending the full meaning of this extraordinary vision of a transfigured Jesus with Elijah and Moses. The whole of the Law and prophets is summed up here on this mountain.

The transfiguration on Mount Tabor is handed over to us this Sunday. As Paul reminds us, it is we who are to be transformed. The light and life of the Resurrection are set forth here so we do not lose heart and fall entirely asleep. This Sunday looks to Easter. It looks to transformation. It asks us to lift up our heads and acknowledge the risen Lord as our light and our salvation.

TREASURES FROM OUR TRADITION

The treasures of our tradition can often be traced to one source, but like the waters of a river branching out on its way to the sea, are received differently as they filter through various cultures and customs. Long ago, mostly because of the preparation of candidates for baptism, the annual feast of the Lord's death and resurrection was preceded by a period of preparation. In the West that comes to us as Lent, a word drawn from the Old English word for springtime, referring to the lengthening hours of sunlight in this hemisphere.

In the East, the tradition of preparing for Easter is received as "Great Lent," to distinguish it from a secondary "Lent" preceding Christmas, and a two-week period, a kind of "pre-Lent," that gradually introduces the faithful to the austerities of Great Lent. One of the major differences between East and West is in the vigor of the Lenten fast. In Great Lent the customs of fast and abstinence are far more strict than we are accustomed to. For us, meat is off our Lenten tables on Friday, but in the East, meat disappears from the diet completely, along with dairy products.

A Family Perspective: Jesus "went up the mountain to pray" and he was "changed." Prayer has the power to change us. This Lent set aside a few minutes each day to pray for members of your family. Pray before each meal and if you are married, spend five minutes in prayer together. ~ by Bud Ozar
