Next weekend is quite a weekend to celebrate! Forty-six of our second graders will be receiving their First Eucharist Sunday, May 3rd. For almost eight months they have been preparing to receive the sacrament and take one more step towards the completion of their Sacraments of Initiation.

As a catechist, this has to be one of my favorite celebrations! It is so heartwarming to see these little ones so joyous and eager to receive the Eucharist, and excited to tell you anything you would like to know about the sacrament. All suited up, crisp and clean, it is with wonder, reverence and excitement that they approach the Table of the Lord! I think I love this day so much because it is a reminder to me that we should all have that level of enthusiasm for the Eucharist every week!

Although it will be thrilling to see these kids receive this sacrament, we know that there are so many people out there to thank for making it happen. We have to start with our beloved catechists whether they are at the school or in the PSR program. These are people who selflessly give up their time to help the children of our parish grow stronger in their faith... and that is no small task. There are very few people who respond to the call to be a catechist, but we know what an important job it is in the formation of our young people!

Another especially important group of people to thank are all the parents of these young children. There are so many things that threaten to steal a parents' time, including work, household tasks and the ever-growing list of activities that kids are involved in. The parents of this year's First Eucharist class made an outstanding decision to assure that the faith education of their child was at the top of the list, and in a society where faith is not always seen as a priority that shows a true countenance of character.

Lastly, we thank the parish for their continued support and nurturing of these young people. Please remember to keep these young disciples in your prayers as well as their catechists and parents! Congratulations to all who are receiving their First Eucharist next weekend!

Annual Catholic Appeal UPDATE:

Gifts are still coming in and we thank you for getting us closer to our goal of \$54,300. As of 4/14/2015, we have received pledges in the amount of \$35,984.00 which represents a sacrificial gift from 289 households or 17.1% of the parish. We are at 66.2% of our goal. Any monies reached beyond our goal, 75% of that is returned to the parish.

With a gift from every household, we can reach our goal and perhaps even address a few more projects around the parish. Envelopes are at the exits if you have misplaced the one sent to you from the diocese. Again, thank you for your generosity and support.

SCHOOL NEWS

**STATE OF OHIO
 SCHOOL CHOICE SCHOLARSHIPS**

St. Peter's School participates in the **State of Ohio
 School Choice Scholarship Program**. St. Peter's School ac-
 cepts admission application and scholarship application for four
 school choice scholarship programs designed to help students get
 the education they need to reach their potential—EdChoice,
 EdChoice Expansion (income-based), Jon Peterson Special
 Needs, Autism. We invite you to call us with any questions or for
 more information. 419-524-2572.

State of Ohio EdChoice Scholarship

Students now attending Mansfield Middle School (7th and 8th
 graders) or Hedges Alternative School and students who would be
 attending Mansfield Middle School (current 6th graders) or Hedges
 Alternative School for the 2015-2016 school year are eligible to
 apply.

*"I am grateful for the chance to send my children to St. Peter's
 through the State of Ohio EdChoice Scholarship Program. Without
 this program, my children would not have access to such a won-
 derfully nurturing, educational community. The faculty and staff
 are genuinely committed to the well-being of each student which
 makes St. Peter's a great place to build a solid foundation for suc-
 cess. I hope to see this program grow so many more families can
 benefit from it as it certainly has been a blessing to us!" Single
 mom of three students*

State of Ohio EdChoice Expansion Scholarship assists families
 with qualified income whose child will be in kindergarten, first or
 second grade next school year. (For example, a family of 4 earn-
 ing less than \$48,500 would qualify.) All school districts are eligi-
 ble.

*"A great education is the only thing you can give your child that
 will last a lifetime. The State of Ohio EdChoice Expansion Schol-
 arship has given me the opportunity to send my daughter to St.
 Peter's Kindergarten. I feel very blessed to have this door open for
 my family." Amanda Shambre—Parent*

State of Ohio Autism Scholarship is for students on the autism
 spectrum.

*"Early intervention is imperative to helping autistic children. My
 granddaughter is now enrolled at St. Peter's School where they
 recently opened an autism unit. She grew two years in that one
 year at St. Peter's." Eileen Gedeon—Grandparent of student in
 the State of Ohio Autism Scholarship Program at St. Peter's
 School*

State of Ohio Jon Peterson Special Needs Scholarship is for
 students with an IEP in grades K-12.

*"The Jon Peterson Scholarship was a true blessing for my son.
 The scholarship was awarded at a time when he was struggling
 through his junior year of high school. His disabilities were im-
 mediately addressed and a new learning program was put into
 place. He was now working at a pace that would ensure his suc-
 cess. The scholarship provided the assistance he so desperately
 needed to improve his grades and complete the requirements for
 graduation. The benefits of the Jon Peterson Scholarship go be-
 yond the improved, individualized learning environment . . . my
 son gained the confidence he was lacking to realize that he could
 be successful." Parent of a SPHS graduate*

Pastoral Care Ministry

As you are well aware, with the numbers of elderly and sick parishioners and the shortage of priests, this ministry is greatly needed to serve the people. The priests cannot make it around to all the nursing homes, homes of the shut-ins, and to the hospital. And it is important for these people to receive Christ both through the Eucharist and through your presence at this time in their lives.

Please prayerfully consider doing this ministry (and in particular the hospital) which is subject to completion of parish and hospital training, completion of Diocesan "Shield the Vulnerable" training, and certification by the Diocesan Office for Divine Worship. For more information, call the Parish Center (419-524-2572) and ask for Vickie Palmer.

PLEASE NOTE: if you have a family member or friend who is homebound, in a nursing home, or hospitalized (especially if they go through the emergency room), please call the Parish Center to let us know. If they go to a hospital other than Ohio Health MedCentral, please let us know when they return home. Someone from St. Peter would visit them and bring them the Eucharist.

World Day of Prayer for Vocations

Today the Church throughout the world prays for vocations. Will you make a special effort to ask the Lord for more vocations to priesthood and religious life?

- Pray for the priests who have ministered to you throughout your life, both living and dead.
- Keep our parish priests in your prayers throughout the week.
- Encourage your children, grandchildren, or other young people to consider a vocation as a priest or religious brother or sister.
- Pray a rosary for more young men and women in our diocese to respond to God's call.

THE GOOD SHEPHERD

This Fourth Sunday of Easter is traditionally referred to as “Good Shepherd Sunday.” Today we listen to the words of the Lord as he refers to himself as the “good shepherd who lays down his life for the sheep.” It is sometimes so difficult for us to grasp the reality that anyone would lay down his or her own life for the sake of someone else. This is especially true in a society that places high value on power and personal advancement, often at the cost of “trampling” on other people in order to climb the ladder. Today’s scriptures point to the one we are called to emulate—the one who lays down his life for his sheep. Today’s scriptures challenge us to discover ways to bring life to those around us—to build up rather than to tear down.

TREASURES FROM OUR TRADITION

Many of our customs surrounding critical illness come from antiquity, and yet attitudes have certainly changed. Death was an all too-familiar presence then, and people tended to see it as a natural and unavoidable part of life, not a personal catastrophe. People tried to review their lives, settle their affairs, say farewell to their dear ones, and welcome the deathbed vigils and prayers that assured them of God’s love and forgiveness. What people most feared was sudden death. It was dreaded and never discussed.

The faithful filled the catacombs with consoling images of the good shepherd carrying the sheep to safe pasture, or the faithful in glory seated at banquet tables. The prayer texts from the time are consoling and positive, and many inspired our modern prayers. The care of the dying flowed directly from Roman pagan practice; it was home-based and family-centered. Pagans didn’t especially fear death, but they were terrified by the dead. Christians, on the other hand, consoled their sick with psalms of joy and faith in the Resurrection. The goal was to assure the sick person of God’s love, and that the ties that bind the dead and the living would endure.

Today's Gospel is a job description for Christian parents. For most people, the most influential shepherds in their lives are their PARENTS. Every parent is called to be a “good shepherd” to “freely lay down their life” for their children, to love and know their children, and to lead them so “they know your voice.” ~ Bud Ozar
